### YOUR Phonograph Must Be **Built by Piano-Craftsmen**

KING ST. EAST

(Next Door to Post Office)

DON'T be satisfied with an ordinary phonograph, that will give you an ordinary reproduction.

It costs no more to own the final, the perfected phonograph—

-a phonograph built by piano-craftsmen.

—a phonograph that has built into it over half-a-century's experience and study in tone production.

—the only phonograph built in Canada that has been awarded a Gold Medal in open competition.

The Gerhard Heintzman to-day stands out as much a masterpiece among phonographs as the Gerhard Heintzman is among pianos.

It is a personal product.

Plays all makes of records. Gives a new, subtle, distinctive, pleasing beauty to any recorded music—because its tone throat is built of genuine spruce like that used in the violins of old masters.

Will you make your home a REAL home, a happy home?

An instrument you will be proud and pleased to own. See it and hear it. First!

ording to a Toronto dispatch the EXCELSIORS, of the According to a Toronto dispatch the EXOELSIORS, of the Queen City, agreed to play a sudden-death game with Victoria Yacht Club this afternoon, but the local fourteen refused to play because Excelsiors would not guarantee them expense money. This, however, is news to Manager Watts, of the V. Y. C., as he announced this moraing that no word had been received from the Toronto team. "V. Y. C. would welcome a game with Excelsiors this afternoon and would be willing to pay our expenses and then some," said Man-ager Watts. "There is absolutely no truth in the report that they asked u pto play a sudden death game in Toronto this afternoon."
